Total sulphurous:	45 mg/l
Free sulphurous:	25 mg/l

### 2024 VINTAGE FEATURES

During vintage 2024, crazy weather conditions made us feel on a roller-coaster. But, given that Pagadebit ("debts payer" in the local dialect) is named after its grape firmness against bad weather, we had a good yield! Nice acidity, pleasant aromas and good drinkability represent this wine, together with lower alcohol content.
